Dear Mr Weisberg.

Now I see the obstacles you have had to overcome in obtaining the material for your books.

I am stuck and against a stonewall on sexual issues with agencies (FBI) and our "free" press.

1) 1975 Yom Kipur War instigated by Henry and Nixon
2) gestapo spy ring
3) watergate as described in Playboy Sept. 76 issue
4) Pearl Harbor cover up by FBI

I am of your opinion that the new JFK and King investigation will be a 6.5 mill. pin-off on U.S. dumb taxpayers and a big whitewash.

Heil Hitler
Heil Stalin
and Heil U.S. democracy

Happy New Y
